Dear Sirs:

We noticed that our principal address in the information that is showing in the Department of State-Division of Corporations web page is wrong: our correct address is as it appears in the letterhead and the mailing address to be changed to the business location.

We are having problems with the Weston City (City where we live) because it is showing the mailing address and they are presuming that we are doing business there and therefore we have to paid from 2005 up to date the Occupational License. Although we are explaining them that we do not use our house for business, we have a warehouse, a commercial zoning to do our business, but they just want charge us to take the money.

Please do the changes as soon as possible.

Sincerely yours,

Carmen L. Uzategui
President
