Gentlemen: Re; Cornerstone International Inc.

Marcor Development Corp.  
ID# 59-2752666

The above named corporations never received the preprinted annual report form. I realized this fact in very early April and immediately telephoned your office. All I got was a taped telephone message your office indicated that I should leave a message at the sound of the tone and that they would respond. I even indicated that if they could not give me the preprinted forms they should send blank ones.

I received no response. this is the problem when you can't get to talk to a human being. I even tried to get these forms from from some Law firms and accounting firms to no avail,

I never has this type of problem before especially when the Department of State had a local office in Miami or in South Florida.

Last week i received your 2nd request form reflecting a substantial penalty. I called the number on the form and this time I received a human response. Your agent told me to write this letter. I feel that the penalty is unfair and I respectfully request that the penalty be abated. I feel that the circumstances indicate that I tried to file on time.

I am enclosing the executed annual report form each corporation along with checks for \$173.75.

Thank you for your kind cooperation herein.

Very truly yours,  
  
Martin M. Gitter
