**RE: CABLEVISION OF INDIAN RIVER COUNTY, INC.
DOCUMENT #M80855**

Dear Mr. Toner:

Thank you for speaking with me this morning. As per our conversation regarding the reinstatement of the wrong corporation the sequence of events is as follows:

- In preparing the reinstatement document I was unaware of the existence of two corporations, both filed in 1988, both with the same officer, both administratively dissolved at some point more than fifteen years ago and both with a name containing the words, Cablevision Of Indian River, Inc.
- The corporation that it has become necessary to reinstate is Cablevision of Indian River County, Inc., Document #M80855.
- The corporation that was inadvertently reinstated was Cablevision of Indian River, Inc., Document #K13492.
- The original documents had not been seen for many years and I did not discover the mistake until I was given the agreements forming the corporation this morning that a mistake had been made.

It is extremely important that the error is corrected, and it would be a terrible injustice if the \$3033.75 were wasted on the reinstatement of the wrong corporation due to clerical error.

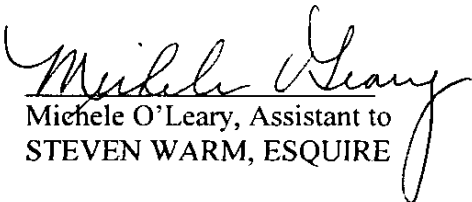

I have enclosed the properly completed and revised reinstatement form and have included a 2007 Annual Report form. It is understood that you will use the balance of funds due to the

corporation to pay for filing this report.

I am very appreciative of your understanding and thank you in advance for all of your help in rectifying this inadvertent error.

If you have any questions please do not hesitate to contact me at (561) 995-7877.

Sincerely,

Michele O'Leary, Assistant to
STEVEN WARM, ESQUIRE
