Ladies and Gentlemen:

Your records indicate that our corporation has been assigned the document number M95743 and that the corporation was reinstated August 27, 1996 by letter number 896A00040516.

I am writing at this time to advise you that we have not received the necessary forms to file a 1997 fee to continue the corporation. Please send the necessary forms so that we will not have to pay a penalty.

In addition please note the change of business address of the corporation, which is now 2050 Oak Street, Sarasota, FL 34237. Last August the address was 6694 Schooner Bay Circle, Sarasota, FL 34231 (which is my home address).

The officers of the corporation remain as they were last August: Charles Stottlemeyer, President; James Jackson, Vice President; William Arbuckle, Secretary & Treasurer. Our home addresses remain as they were on the forms submitted last August.

I tried calling your office but was "on hold" a number of minutes when a "canned" announcement advised me that you receive 1000 calls per hour. What the tape did not say was how many live employees are on the receiving end - lack of staff may be the cause of the telephone delay.

We pray that you have staff to respond to this communication by return mail. Thanks for your prompt attention.

Sincerely,

William I. Arbuckle II
