RE: Letter Number 000A00055676

Dear Ms. Cline:

Enclosed is a copy of your letter referenced above. Unfortunately, we can not complete this process of getting out of Florida as long as there is the matter of our check remaining. You see, while you probably really believe you sent us back our \$35.00 check, in the real reality that people outside Florida live in, you did not. Therefore we require the return of our check. If we send you the new \$25.00 filing fee, you will be confused because you have our check, or you will deposit both the new fee and the old one and the money will disappear. This has happened with Florida before.

Losing other people's money, though typical of a government, is not acceptable. You see, when you do this, you create inconvenience for me. If I have to call you, you create expense for me. Unlike the government, I'm not able to recoup my expenses by levying a tax. Therefore, I am simply out that money. I hope you understand.

When we receive our check we will proceed with our application to not do business in Florida. In the event the State has accidentally deposited our check, we will probably just file a lawsuit.

Sincerely,

SEA TECHNOLOGY COMPANY PALM BEACH, LLC
