Attention; Pat Bailey

Per our conversation on Sept. 7th this is the letter requested explaining the delay in the reinstatement of corporation status active. The present status occurred due to my sending the renewal fee in Sept 2003 in the form of a money order to your office, in which was later informed your office never received it.

I didn't received this information until a year later, I assumed all was in good standing, because the money order never returned from the US postal service, nor was it resolved as lost.

On July 14th I spoke regarding this matter and you instructed me to send the renewal fee for 2003 and 2004 in the amount of \$122.50, in doing so this would bring me into a reinstated status.

Because we are Non-profit organization our funding for financially challenge children are on hold until this is resolved.

Please if you could so kindly look into this matter to rectify as soon as possible, I would greatly appreciate.

Thank you.

Aprille Phillips

President
