**ARTICLE III: PURPOSES**

Our objective is to be a pro-active participant within the community in lending a helping hand to primarily single parent families, in need of a transitory boost. To assist with providing clothing, toys, and necessities for the family's children. To aid the parent with information on the community and it's available services. Our services also include educational assistance to aid the single parent in re-establishing themselves within the community's workforce. This is intended to assist the family through a time of despair caused by divorce, a significant decrease in a source of income, catastrophic illness, or the loss of a loved one.

Our goal is to provide the means for adults to increase their working knowledge in a manner that will be financially gratifying to themselves and their family. This will enable the single parent to provide a more financially stable environment for their family. The ultimate goal would be to equip the family with encouragement and a means to become independent.
