Dear Kathy,

This is in reference to our discussion regarding my revocation of corporation status with the state. Attached is a copy of my cancelled check for renewal dated 4-25-00. Apparently my organization was initially given a "for profit" identification number although we have always been a non-profit. I remitted payment for the non-profit fee and that was when the state discovered the error. Payment was probably posted to the old identification number before it was cancelled. Please check on this since I should not have a balance with the state and should be in good standing.

Thank you for your assistance in this matter.

Sincerely,

Bobbi M. Martin
