Dear Sirs:

My client is the "ANIMAL RESCUE FUND, INC." a Florida non-profit corporation (Document Number N10000004699). They have advised me that they need to change the address for the registered agent, as well as each of the officer/director detail addresses and the mailing address for the business entity. I would normally use the change of Register Agent Form(to correct his address), but I am unsure how to go about submitting the changes for the address to the officer/directors, as well as the mailing address for the Business Entity. Is there an appropriate form that you would like for me to use, or should I send a letter with a filing fee to make these changes?

In addition, they have told me that the VPD is spelled incorrectly. It should be STEVEN MORRALL – not SREVEN MORRALL. Can you please advise how I should go about making these corrections?

Best Regards,
Shawn C. Newman, Esq.
