### **Purpose**

The purpose of the Black Empowerment Association will be to empower Blacks and assist them through activities, forums, seminars, employment and other means to reach a level of excellence. Our initial focus will be on black men, the most endangered of the human species. Once we feel we have a solid foundation we will expand our commitment to all other minorities.

### **Directors**

The co-founders, S. Lamont Mosley and Jason A. Majors, will decide on five individuals to complete the seven directors or "Chairmen of the B.E.A., Inc." These individuals will be chosen based on their belief in the objectives of the B.E.A., Inc. and their ability to lead people. If any of the Chairmen are removed from their position the remaining members of the Chairmen of the B.E.A. Inc. will convene to decide on possible successors.
