Section 4. Limitations. The powers of the Association shall be subject to and be exercised in accordance with the provisions of the Declaration.

ARTICLE V.

MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Every Owner of a Lot shall automatically become a Member of the Association upon the acquisition of fee simple title to such Lot by filing a deed therefor in the Public Records of the County. Membership in the Association shall be appurtenant to and may not be separated from the ownership of the Lots in the Subdivision. Membership in the Association with respect to each Lot shall continue until such time as the Member transfers or conveys of record his interest in such Lot or such Member's interest in such Lot is transferred or conveyed by operation of law, at which time such Member's membership in the Association, with respect to the Lot conveyed, shall automatically be conferred upon such transferee. The foregoing is not intended to include transfers of interests in Lots to persons who hold an interest in the Lot merely as security for the performance of an obligation of an Owner, and the giving of a security interest in a Lot shall not terminate the Owner's membership in the Association. No person or entity holding an interest of any type or nature whatsoever in any Lot as security for the performance of an obligation of an Owner shall be a Member.

Section 2. Voting. The Association shall have two (2) classes of voting membership as follows:

(a) Class A: Class A Members shall originally be all Owners with the exception of the Developer for so long as there exists a Class B Membership. Class A Members shall have one (1) vote for each Lot owned on all matters submitted to a vote of the members of the Association. In the event a Lot is owned by more than one individual or by a corporation or other entity, the Owner(s) shall file a certificate with the Secretary of the Association naming the person authorized to cast votes for such Lot. If the certificate is not on file, the Owner(s) of such Lot shall not be qualified to vote and the vote of such Owner(s) shall not be considered nor shall the presence of such Owner(s) at a meeting be considered in determining whether the quorum requirement has been met. Such certificate shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Lot concerned takes place. If a Lot shall be owned by husband and wife as tenants by the entirety, no certificate need be filed with the Secretary naming the person authorized to cast votes for such Lot, and either spouse, but not both, may vote in person or by proxy and be considered in determining whether the quorum requirement has been met at any meeting of the Members, unless prior to such meeting either spouse has notified the Secretary in writing that there is a disagreement as to who shall represent the Lot at the meeting, in which case the certificate requirements set forth above shall apply.

(b) Class B: The Class B Member shall be the Developer. The Class B Member shall be entitled to three (3) votes for each Lot owned on all matters submitted to a vote of the members of the Association. The Class B Membership shall cease and be converted to Class A Membership upon the happening of any of the following events, whichever occurs earlier:

(i) When the total votes outstanding in the Class A membership equal

the total votes outstanding in the Class B membership; or

- (ii) Seven (7) years after the date of transfer of title to the first Lot.

The total number votes outstanding in both classes of voting membership shall be calculated based upon the total number of Lots subjected to the terms of the Declaration.

ARTICLE VI.

CORPORATE EXISTENCE

The Association shall have perpetual existence.

ARTICLE VII.

BOARD OF DIRECTORS

Subject to the terms of the Declaration, the affairs of the Association shall be managed by a Board of Directors consisting of not less than three (3) nor more than five (5) Directors. Directors shall be elected or appointed as provided in the Bylaws. Until such time as the Developer relinquishes control of the Association as described in the Declaration, the Developer shall have the right to appoint a majority of the members of the Board of Directors and to approve or disapprove of all Officers of the Association. Further, no Director appointed by the Developer need be a Member; however, all Directors elected by Members other than the Developer must be Members. The initial Board shall consist of three (3) Directors appointed by the Developer. The Developer shall be entitled at any time and from time to time to remove or replace any Director appointed by the Developer. The Developer may waive or relinquish in whole or in part any of its rights to appoint any one or more of the Directors it is entitled to appoint. The following persons shall constitute the initial Board of Directors:

ARTICLE VIII.

OFFICERS OF THE ASSOCIATION

The affairs of the Association shall be administered by a President, Vice President, Secretary, and Treasurer, and such other Officers as the Board may from time to time designate. Any person may hold two offices, except that the same person shall not hold both the offices of President and Vice President. Officers shall have such duties, responsibilities, and powers as provided by the Bylaws and shall serve at the pleasure of the Board.

The Officers named in this Article VIII shall serve until replaced by the Developer or until the first regular meeting of the Board of Directors, whichever shall occur first. The Developer shall approve or disapprove such Officer(s) within twenty (20) days after receipt of such name(s). The proposed amendment shall be adopted upon receiving the affirmative vote of not less than seventy-five percent (75%) of the votes of the Members.

Section 2. Number of Amendments. Any number of amendments may be submitted to

the Members and voted upon by them at one meeting.

Section 3. Written Consent. If all of the Members eligible to vote sign a written statement manifesting their intentions that an amendment to the Articles be adopted, then the amendment shall thereby be adopted as though the procedures set forth in Section 1 of this Article have been satisfied.
