STATEMENT OF FACT

Re: Document #N00000007909

To Whom It May Concern:

On February 21, 2001, our first annual report/uniform business report was filed for our non-profit corporation, Animal Services League, Inc., and subsequent reports have been filed each year through February 2, 2018. The Registered Agent is attorney at law, David Murphy of the firm Greenfelder, Mander, Murphy; Dwyer and Morris, located at 14217 Third Street, Dade City, FL 33525, U.S.

When I attempted to file articles of dissolution this year, I found on Sunbiz.org that someone, unknown to our corporation, had removed the names of our Board of Directors and inserted his name along with inserting his name as the Registered Agent at 14217 Third Street, Dade City, FL 33525. I, nor anyone in our corporation, do not know this person, (Michael A. Barber), or have ever heard of this person.

This unwelcome intrusion has caused our corporation a serious time delay in our filing as well as additional expenditure of funds and aggravation in correcting the uninvited error, whether innocent or deliberate. We cannot imagine how this person could insert his name as registered agent while keeping the law firm's Dade City address in the filing.

Thank you for your kind attention.

Sincerely,

Jocelyn W. Foley-Creech
Director
