Upon my own research I have discover that my company, New Step Solutions, Inc., was administratively dissolved because I never received our Annual Report/UBR nor was I aware as a new business that I was suppose to turn one in on an annual basis. To this date we have not received this form or any notification that this action was taken, Also the Register whom initially incorporated New Step Solutions, Inc. is no longer the Registrant. I have been advised by one of your representatives to download a corporation reinstatement form and write this letter. I am asking that all late fees and penalties be removed and waived due to my unawareness of this annual report. Please contact us to confirm that this letter has been received and whether these fees will be waived or not.

Sincerely,

Ricardo R. Colon, VP
