To Whom It May Concern:

On behalf of Dr. Gwendolyn Williams, Founder and CEO of Visions of Fire Ministries, as an officer and representative of this Corporation, I am forwarding this letter to your attention, as advised by Tina Roberts a representative in the Division of Annual Reports with whom I spoke to on Monday, October 4, 2004.

Due to the recent disaster in Florida and specifically in the areas of West Palm Beach, we have suffered tremendous losses due to damages caused by the reoccurring series of hurricanes that we experienced.

As our office never received the original annual report via the US Postal Services, unfortunately because of lack of electricity in the area and no working phone lines, which have not as yet been restored to the area we are not able to access our computer system, therefore the office has not been operational. This has caused us considerable hardship with the operation of all business transactions.

I am requesting a waiver of any late fees that might be associated with the delay of this report. Your consideration and cooperation in this matter are greatly appreciated and would be a tremendous blessing to this ministry as we are a non-profit organization.

Please find enclosed with this letter the Annual Report form for the year 2004 and a check in the amount of \$61.25 for the required fee.

For further information or correspondence, please respond to the above-enclosed address.

Again, thank you.

Sincerely,

Minister Tamara Murray
Director
