The powers of the Association shall include and be governed by the following provisions:

- 3.1 The Association shall have all the common-law and statutory powers of a corporation not for profit which are not in conflict with the terms of these Articles.

The Association and its officers shall, however, retain at all times the powers and duties granted by the Condominium Act, including but not limited to the making of assessments, promulgation of rules and execution of contracts on behalf of the Association.
- i) Employ. To employ personnel for reasonable compensation to perform the services required for proper administration of the purposes of the Association.
