To whome it may concern,

Regarding explanation of Article III Purpose, I Revol Jean Brasier-Charos request that I be permitted to become a non profit org. for the purpose of helping Victims of domestic violence in such a manner that I would Physically assist in helping those who so choose to leave there spouse and assist them in finding options, helping to place them in shelters and supplying certain needs that may be offered as gifts or donations, especially after their expired time at the shelter while they are trying to make it on their own when support is needed most to assure these woman they do not need to return to there spouse for finacial support only to begin the cycle again. I am a former victim myself who left my abuser several times only to return sevral times due to a lack of support after I left the shelter and became independent. All of these are factors I will be involved in and are reasons for becoming a corporation.
