To whom it may concern,

We were asked to re-submit our 2002 Uniform Business Report, by September 13, 2002 in order to avoid administrative dissolution.

We called your office, and were unable to reach anyone who could help us, and so sent an e-mail to find out the status of our corporation. We were advised that the check had been received and was being held, but that there was some problem with our Uniform Business Report. However, the e-mail did not specify the problem with our report.

We were told that we should send this information to you along with our duplicate report, and we have submitted a copy of our canceled check for your reference.

Please advise if there is a problem, as we are indeed active, and do not want to have our company administratively dissolved. Thank you.
