Purpose:

The Riverside Teen Center Inc. was organized to help the teens in the Jacksonville area. We are opening a house to children and teens that need somewhere safe to be. Whether they are pregnant and have been forced away from their home or a child that has run away because they were being abused. We will also take in children that have been abandoned.

We are offering a chance to the children that would otherwise have no chance for a real future. We will provide a safe place to live, three solid meals a day, and transportation to and from school, work, and doctor appointments.
