PURPOSE AND POWERS OF THE ASSOCIATION

The Association shall not pay dividends and no part of any income of the Association shall be distributed to its Members, directors or officers. The Association is formed to provide for, among other things, the improvement, maintenance, preservation and architectural control of the Property and to promote the recreation, health, safety and welfare of the Owners. The Association shall have all the powers of a nonprofit corporation organized under the laws of the State of Florida, subject only to such limitations upon the exercise of such powers as are expressly set forth in these Articles, the Bylaws, or the Declaration. The Association shall have the power and duty to do any and all lawful things which may be authorized, assigned, required or permitted to be done by the Declaration, any Supplemental Declaration, these Articles and the Bylaws, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the Association for the benefit of the Owners and for the maintenance, administration and improvement of the Property and the Common Property. INDEMNIFICATION

9.1 Every director and every officer of the Association shall be indemnified by the Association against all expenses and liabilities, including counsel fees, reasonably incurred by or imposed upon him in connection with any proceeding whether civil, criminal, administrative or investigative, or any settlement of any proceeding, or any appeal from such proceeding to which he may be a party or in which he may become involved by reason of his being or having been a director or officer of the Association, or having served at the Association's request as a director or officer of any corporation, whether or not he is a director or officer at the time such expenses are incurred, regardless of by whom the proceeding was brought, except in relation to matters as to which any such director or officer shall be adjudged liable for gross negligence or willful misconduct, provided that in the event of a settlement, the indemnification shall apply only when the Board of Directors of the Association approves such settlement and reimbursement as being for the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer may be entitled.

9.2 Expenses incurred in defending a suit or proceeding whether civil, criminal, administrative or investigative may be paid by the Association in advance of the final disposition of such action, suit or proceeding if authorized by all of the non-interested directors upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that he is not to be indemnified by the Association as authorized by these Articles of Incorporation.

9.3 The Association shall have the power to purchase at its expense and maintain insurance on behalf of any person who is or was a director or officer of the Association, or is or was serving at the request of the Association as a director or officer of another association, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of these Articles.
