ARTICLE III: PURPOSE

The specific purpose(s) for which the corporation is organized (are): founded to provide emotional support to women confronted with crisis pregnancies by helping them find solutions to distressing circumstances causing them to feel they have "no choice" but abortion. We also help women and men facing unexpected pregnancy understand and realistically examine their desires, options, resources and responsibilities during this time of one of the most important and life changing decisions they will ever make. In addition, we are dedicated to help individuals heal emotionally from post-abortion syndrome. By giving support and understanding, the individuals can be released from the emotional pain, guilt or anger relating to the abortion and begin to experience true peace. Our commitment is to assist hurting individuals through counseling, by providing accurate information regarding prenatal development, pregnancy and abortion. Losing a child to an abortion, for a man has a painful aftermath. Therefore, we also provide men with healing whether giving consent or objecting to the final decision of abortion. As with all surgeries, abortion has hidden dangers with physical and emotional scars, that cannot be eliminated. Therefore, we offer support services during their time of crisis, and at the same time, be an advocate for the unborn child.

It is our prayer and purpose to provide women and men with hope for the future by meeting their emotional, and spiritual needs, also to shine the light of love, healing and support through the United States and all nations. We want them to know that they are not alone in their crisis and options are available.
