Articles of Incorporation, set forth:

ARTICLE 1

NAME

The name of the corporation shall be **GOLDEN TRIANGLE HOMEOWNERS ASSOCIATION, INC.** For convenience, the corporation shall be referred to in this instrument as "The Association."

ARTICLE 2

PURPOSE

2.1 The purpose for which the Association is organized is to provide an entity to carry out and accomplish the purposes described in the Declaration of Easements, Covenants, Conditions and Restrictions dated April 20, 1987 and signed by Harmar of Helen Street, Inc., (the "Declaration"), as recorded in the

Public Records of Lake County, Florida, in Official Record Book 670, page 1187, and to undertake such management, maintenance, operation, ownership and other duties with respect to the real property identified in the Declaration (hereafter "Development") including but not limited to the management of the common areas within the Development.

2.2 The Association shall operate, maintain and manage the surface water or stormwater management system(s) in a manner consistent with any permits from the St. Johns River Water Management District and shall further comply with all requirements and applicable District rules, and shall assist in the enforcement of the restrictions and covenants contained herein.

2.3 The Association shall make no distribution of income to its members, directors or officers, being conducted as a nonprofit organization for the benefit of its members.

ARTICLE 3

POWERS

The Association shall have the following powers:

3.1 The Association shall have all of the common law and statutory powers of a corporation not for profit not in conflict with the terms of these Articles.

3.2 The Association shall have the power to administer and enforce the provisions of the Declaration more fully described in Article 2 hereof and all of the powers and duties reasonably necessary to carry out the responsibilities and

duties conferred upon it by the Declaration, as it may be amended and supplemented from time to time, including but not limited to, the following:

b) To make and collect assessments against members of the Association to defray the costs, expenses and losses of the Association.

c) To use the proceeds of assessments in the exercise of its power and duties.

d) To maintain, repair, replace, operate and manage the Association property, including the right to reconstruct improvements after casualty, to make and construct additional improvements upon the Association property and maintain and repair the surface water or stormwater management systems including but not limited to work within retention areas, drainage structures and drainage easements.

e) To purchase insurance upon the Association property and improvements and insurance for the protection of the Association and its members.

f) To enforce by legal means the provisions of the Declaration, as amended from time to time, these Articles of incorporation, the By-Laws of the Association which may be hereafter adopted and the rules and regulations governing the use of the Association property (if any).

g) To contract for the management of the Association property and to delegate to such contractor all powers and duties of the Association except such

as are specifically required by the Declaration to have approval of the Board of Directors or the membership of the Association.

h) To contract for the management and operation of portions of the Association property susceptible to separate management or operation.

i) To employ personnel and engage such professional assistance as may be necessary to perform the services required for the proper operation of the Association and its properties.

3.4 In the event of the dissolution of the Association, title to all real property shall vest in the abutting lot owners as at common law, subject, however, to the same easements and rights of uses by the residents of the Development as existed prior to dissolution. Upon dissolution of the Association,

all money and other personal property of the Association shall be distributed pro rata to lot owners, in the same ratio as votes are distributed and apportioned among said lot owners.
