RE: Cease & Desist

Dear Cantis Williams:

Subject: Unauthorized Amendments by Cantis Williams to the First Restored Church of Jesus Christ Annual Report

On July 9th, 2023, Cantis Williams made unauthorized amendments to the First Restored Church of Jesus Christ's Annual Report, specifically Report Number N01000008684. Let it be stated in no uncertain terms that Mr. Williams possesses absolutely no authority within our Church to implement such alterations.

The authority to make or authorize changes to the Annual Report rests solely with the Board of Directors. Despite this, Mr. Williams overstepped these boundaries, changing the designated registered agent and amending the list of our currently serving board members, all without the required approval from the governing board. These unauthorized actions represent a clear violation of our Church's policies and governance.

We have since corrected these unauthorized amendments and restored the Annual Report's information to its accurate, original state. Please find the correct information below for your reference:

First Restored Church of Jesus Christ

Registered Agent: Eddie L. Harper
Directors: Eddie L. Harper, Juan M Harper, Tynesia Harper, and Elijah Giddens

Considering the seriousness of these transgressions, we want to emphasize that we will not take such violations lightly. Such unauthorized actions are not only disruptive but also seriously breach the trust within our organization. We are prepared to take necessary legal actions to

prevent a recurrence of such transgressions. The integrity of our church and the adherence to its policies are of the utmost importance.

I demand that you cease and desist from this activity immediately. If action is not taken by you to cease and desist immediately, I will have no choice but to take appropriate legal action against you.

Sincerely,

Eddie L. Harper 7-10-23
