Dear Sir:

This letter is in follow-up to our telephone conversation of last week. The Vero Beach National Little League filed its initial Corporation Annual Report for 1997 on August 31, 1997. This report was returned to us for corrections. The corrections were made and the report was resubmitted. About a month or so later we received the report again stating it still needed corrections. The corrections were made the report was resubmitted. I had not heard anything back about the report so I called in early December to see if everything had been taken care of. I was informed that you never received the report back with the corrections. I asked that a new form be sent so that we could again get this matter taken care of. The latest correspondence from you stated that our corporation was dissolved and the report was returned along with our check for \$61.25.

We are now, according to our telephone conversation, returning you the same completed form along with a check for \$122.50 which will cover the fee for 1997 and 1998 as you requested.

I hope this will take care of our filing requirements. This has been quite an ordeal to get processed and I apologize for errors made on our part. Please advise if you have questions or if additional information is needed.

Sincerely,

Beverly McCormick
Treasurer
