Re: Seminole Boosters of Lee County, Inc.

Dear Lynn:

I am returning herewith the original and one copy of the Articles of Incorporation of the above-named corporation with the understanding that you will be receiving shortly the required letter from Seminole Boosters, Inc. As I explained in discussing this matter with someone in your office on the telephone, I find it strange, as does Seminole Boosters, Inc., that such action is required at this time. The reason is that there are two or three dozen similar corporations filed for record in this state with the same name style substituting the name of the appropriate county. According to Seminole Boosters, Inc., such a consent letter has never been required from them previously.

Seminole Boosters, Inc. is the primary support group for Florida State athletics and it is of course located right there in Tallahassee. The local booster clubs, such as Seminole Boosters of Lee County, Inc., are simply offshoots of the parent organization and are authorized by it.

Once you have received the required consent letter from Seminole Boosters, Inc., please see to it that these Articles are duly filed and a certified copy returned to me. Meanwhile, if there are other problems, please call me.

Sincerely,

Walter Grace Jr.
