STATEMENT OF MISSION

Our founder, Jesus Christ the Lord, was a stabilizer committed to the redemption of all mankind. He gave his life a ransom for many, thereby transmitting life to and for all men. In so doing he transformed all classes of people into something other than that which was useless, wasteful and wanton, providing mental health, keen insight, and spiritual renewal and total freshness. Here again, given we are provided with physical worth and value both for ourselves and those around us so that total wellness can project the church as an institution where recovery is possible for all conditions if we begin from within as our Lord did.

Man is a spiritual being just like his maker and creator. He is made by God, he is made for God, and he is made in the image of God. The church provides a wide spectrum of soul dispensary through community cell force, local assemblies and at home counselors for individuals and for life in general. The philosophy that guided our Lord the founder guides his sent ones. Hence, we strive with all our hearts to follow his steps in doing always those things that please him.

The church recognizes the need for highly trained and dedicated servants and does take advantage of every opportunity to acquire useful skills wherever possible because our constituents deserve it in all areas of expert workmanship in every category. The church is committed to a delivery system that is second to none. We recognize financial deficiency confronts us and it places limits on what we can do at the present. Technology of the highest kind is in our vision, equally so highly trained and committed team and quality performers are needed. The church is not a building, neither is it a denomination, instead it is a body and you will be a house of prayer for all people where redemptive ministries are committed to removing all barriers. Time is of the essence. The church must assume the leadership role beginning now. There is much that can be done taking into account the flow of money, education, influence, technology and other avenues available to the church. The institution, the church, is too big to be so little. Bigness is every where but the church.

Critical to the times in which we live is the theological, physiological and all the other additions are in the church. Their time and use is now. These forces need to be used for very simply they are the gift of God's measureless grace. They are deposits from the giver of life for the good of all mankind.

1. That salvation comes only through the Lord Jesus Christ, who is the only begotten Son of the Father, conceived of the Holy Ghost, and born of the Virgin Mary. That Jesus was crucified, buried, and raised from the dead. That Jesus ascended to heaven and is today at the right hand of the Father as our intercessor.
2. That all have sinned and fallen short of God's glory and that repentance is required by God and is necessary for the forgiveness of sins.
3. That water baptism by immersion must be in the Name of the Lord Jesus for the remission of sin.
4. That holiness is God's standard of living for his people.
5. That speaking with other tongues as the Spirit of God gives in utterance is the initial evidence of the baptism of the Holy Ghost.
6. That divine healing is provided for all in the atonement.
7. That the Lord's supper should be commemorated.
8. That the resurrection and rapture of the true church of God is imminent.
9. That Jesus is God incarnated in the flesh.
10. That the final judgement of the living and dead and the final establishment of a new heaven and earth wherein dwelleth righteousness.
