ARTICLE VIII

Vision of the corporation:

Vision of Church...

What is A Church with out A vision, Jesus him self said that A Man with out A vision would perish? So if the leader does not have A vision where does that leave the Church he is called too.

We here at Remember Us Fellowship have A leader with A vision.

The word of GOD said that, Jesus Christ came into the world to save, that which was lost. That is our first priority is to keep focus on the things that Jesus was, simply souls being saved. He also said that all souls were His. It is Emparetive that the vision stays in perspective with our Lords will and the people of God back in their perspective place with the Father God. That means being totally dependent on the Lord and not the government for our every need. God is A jealous God and He is not pleased with His children becoming beggers that is an abomination unto Him. That is one of the things this body of believers will committ to is being dependent on the Lord for our every need. Showing the world around us that God is not only is Isreal but also in the United States that will and does take care of His own. We intend on standing on Gods word until the blessing and the power that has been promised us arrives. It is not until the people with out hope see the word of God working in you and only then will they have a desire for God and his word and willingnees to change their lives. And when it is all said a done The Lord from Glory looks down on this body of believer and say well done my faithful servants.
