Amending Article IX

Marriage is a biblical institution established by God as clearly described in the Scriptures. It was first instituted by God in the early chapters of Genesis, codified in the Levitical law, the Old Testament prophets compared it to a relationship between God and His people, examples of it are in the historical narratives, and, the wisdom literature discusses the unique unity of his relationship. Jesus explained the original intention and core elements of marriage, and several New Testament Epistles give explicit instructions on this union. As such, the Corporation views marriage as a profound spiritual institution established by God. Due to the importance of marriage is the uniting of the one natural born man and one natural born woman in covenant commitment for a lifetime as presented in scripture. Accordingly, The Corporation, its pastors, staff and members will not participate in same sex marriages, nor shall its property or resources be used for such purposes.
