**ARTICLE V**  
**OFFICERS**

Section 1. Indemnity. The Association shall indemnify any person who was or is a party to any pending or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that he or she is or was a Director, employee, officer or agent of the Association, against expenses (including attorneys' fees and appellate attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. However, no indemnification shall be made in respect to any claim, issue or matter in which such person shall have been adjudged to be liable for gross negligence or misfeasance or malfeasance in the performance of his or her duty to the Association. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

Section 2. Approval. Any indemnification under Section 1 above (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Director, officer, employee or agent is proper under the circumstances because he or she has met the applicable standard of conduct set forth in Section 1 above. Such determination shall be made (a) by the Board of Directors by a majority vote of the Directors who were not parties to such action, suit or proceeding, or (b) if a majority of disinterested Directors so directs, by independent legal counsel in a written opinion or by a majority vote of the members.

Section 3. Advances. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of said action if it is authorized by the Board of Directors in the specific case. Provided, the Board must first request an undertaking by or on behalf of the Director, officer, employee or agent to repay such amount, unless it shall ultimately be determined that he or she is entitled to be indemnified by the Association as authorized in this Article.

Section 4. Miscellaneous. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any Bylaw, agreement, vote of Members or otherwise.

Section 5. Insurance. The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a Director, officer, employee or agent of the Association, insuring against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article.
