ARTICLE III PURPOSE

The purpose for which the corporation is organized is:

To help reduce the feral/stray cat and dog populations by providing a trapping, spay/neuter, and housing program; i.e., a safe, healthy environment for as many animals as possible through volunteers, charitable donations, and other fundraising activities that would be available to not for profit corporations.

I am currently housing and caring for fourteen (14) cats and four (4) dogs, who were rescued as strays or received as "drop offs." In addition, I am feeding two colonies of feral cats, 12 to 15 in one and 5 to 6 in the other. Eighteen (18) kittens were rescued from one colony this past fall and placed with a local orphanage or adopted to carefully screened families. Also, I am feeding 3 to 4 stray dogs. I am, with the assistance of volunteers, in the process of transforming a former horse stall into a facility to house up to twenty-five (25) cats for the duration of their lives once they are spayed/neutered and vaccinated. Should I receive the not for profit designation, I could apply to obtain a tax exemption for the costs of feeding, housing, and providing adequate veterinary care. I could then solicit charitable donations and engage in fundraising activities to assist the organization in caring for the animals.

The Humane Society is not geared for rescuing stray animals but only to place domesticated family pets with other homes. Because the local animal shelter is so overcrowded and overtaxed, the number of euthanasias performed each year is staggering. The latest figures per the local newspaper, The Pensacola News Journal, for the year 2002 in Escambia County alone was 10,000 cats/dogs euthanized. Ultimately, the goal for this organization would be to add more facilities and caregivers in order to expand the program to provide care and keeping for many more homeless animals.
