**To whom it may be of importance:**

*I would like to provide you with some uninterrupted information about the foundation, and why; I have set in motion this journey.*

*January 15, 2002 my daughter (Ol'geta Siletta Beckworth) was horrendously murdered and discarded in such away it gives new meaning to executioner, to have taken my child, some ones mother and pitch her in a cold shallow grave, not just any where, but under his mothers bed room window, So; God gave me this inspiration to start this Foundation in her name, I have not gotten the entire statistic on this matter but; I know it has to be very high at this time.*

*My spirit and ideas, all fall on the children that has been departed from their parent's or relative's that was in the process raising our future. Never knowing that her boy friend would take her life leaving her two (2) children without their mother, as a replacement for mother it can't be, but; as a loving mother and grand-mother with limitations, and limited resources a sixteen "(16)" year old, and for me to take on two more children, when problems exist already.*

*The reason behind this **FOUNDATION** is to help the children that have been put into a situation of "No Return", and to know somewhat that new parent has to face, this is where my God took over and had me to try and pervert while I pray for healing for all the children that has been placed in this unexpected tremor.*

*I'm looking in the direction of helping the children as well as educating young adult (girls/ladies). And on her (Ol'geta's) birthday to give an incentive to ten (10) deprived families that could use the monies to help with what ever that gives some happiness to that family. Many with an empty spot, may find the influential person to give them that go on with life.*

*The long run of this Foundation is one day we will put families in new homes. Where that smile has gone and mirth takes its place*

*It has since then came to my attention that xxxx amount of women are murdered by their partners each year? This is a horrific tragedy made all the worse by the fact that there are warning signals, that will be provide an insight into which this act will stop occurring.*

*The Mother of Immense Lost*
