## **OUR MISSION & STATEMENT**

Dedicated to the enrichment and empowerment of community, by promoting **God's Agape Love** in a balanced and positive manner. To establish an environment of building bridges of **hope, vision and harmony** facilitated through various activities, such as outreach programs, community service, educational programs, quality artistic productions, networking with various entities and providing aid to various sectors and needs of the community, by enhancing and furthering a unifying respect and a greater understanding of others from all faiths, creed's, races, and economic backgrounds.

## **OUR VISION & GOALS**

To stand as The Nancy Golden Rule Foundation where we solely believe in the **"action" to encourage the principals of God's Agape Love**. Not to administer these principals under the umbrella of religion, yet, implementing these principals **solely under the umbrella of God's Divine Love**. Practicing, embracing and demonstrating the **"GOLDEN RULE"; "Do unto others as you would have them do unto you."** We envision; **"Faith" as the key to the door of hope, and God's Agape Love is the only power that can turn it. "Faith" expressing itself through God's divine love.**

## **OUR PURPOSE & PASSION**

Where a society of diversity and indifference creates division, **God's Love creates Unity**. Through our choices of the principals of **God's Agape Love** in every area of our lives, we can create **Unity and make a positive difference within ourselves and in the community around us**. Through God's standard of divine love; **"to love one another"**, we become a place where the **"light of God's love" is made visible.**

## **OUR COUNSEL & GUIDENCE**

God the creator created us in **His Love**. As an object of his love, created in his image; the building of his kingdom becomes evident to us each and every day. Our **"attitudes"** combined with our **"actions"** enhances the fragrance of **"God's Love"**. Our hearts become the canvas, in which he paints beautiful pictures of his love. God's focused concern is not in **"WHAT"** we do, yet, is **what we do with a TRUE HEART**.

Our relationships and actions are not to be based upon feelings or self righteousness, yet are to be based upon what garment we clothe our soul with each and every day. To clothe our souls with the garment of **"God's Agape Love", embraced through our faith and manifested in our spirit.**

God's spirit of love is the **sole essence of his character**. The statement of God's Love as we are to embrace and practice it, is found in the following writings; "If I speak in the tongues of men and angels, but have not love, I am only a resounding gong or a clanging cymbal. If I have the gift of prophecy and can fathom all mysteries and all knowledge, and if I have a faith that can move mountains, but have not love, I am nothing. If I give all I possess to the poor and surrender my body to the flames, but have not love, I gain nothing. Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes always perseveres. Love never fails. But where there are prophecies, they will cease; where there are tongues, they will be stilled; where there is knowledge, it will pass away. And now these three remain: faith, hope and love. But the greatest of these is love. I Corinthians 13:1-8 and 13.

## OUR VOLUNTEER AND OUTREACH

Mother Teresa once referred to herself as a pencil in the hand of a writing God.

The Nancy Golden Rule Foundation's desire is to create this image through its volunteer and outreach programs. Because it seems to capture so well the idea of **God's love expressing itself through "us" and "others", for we each can become the pencils in the hand of a writing God, who is sending love letters to the WORLD.**

We are **reminded** of this **each day**, when we are in **need** of a hug or an encouraging word. God always seems to put **someone** in our path; to give a smile, a kind word or provide an act of kindness in **"giving"**, where someone is **in need**. Kindness is one act of God's love, in expression. The **light** of God's divine love, though always present and expressing itself, glows the **brightest**, when "we" allow ourselves to be a **light vessel of God's love**, manifested through compassion, forgiveness, mercy, understanding, kindness and in our **"faith" and "hope" in Him**. Each one of us, is the **"light of the world"**, when we conduct our lives through **God's divine manifestations**.

Through out all aspects of the foundations overview and functions there will be a strong structure of volunteerism and outreach programs. This aspect of the foundation will be an entity that will create high volumes of community involvement.

The Nancy Golden Rule Foundation's ability to embrace and make visible God's divine love, is such that there can be a **healing** in the lives of those around us, who are living in distress and in need. Being **actively** involved, reaching out and being the **light of God's love**, made visible; can only be demonstrated through the acts of God's Agape love which is a witness to others that we genuinely care for a world that has lost sight of the **hope**, that comes through **"faith" expressing itself through love**. For the power of God's divine love is so great, for when it shines through **each one of us**, it opens the door of **hope** and miraculous events manifest in the supernatural work of God.

For through our **"faith"** in God; in ourselves and in others, a great power of unity and community can be created, established and come to exist. As we **reach out** through God's divine love, to the world around us and **employ** the pencil he has given each one of us to use; we will be writing letters of **"God's Agape Love"**, to the world around us.
