INDEMNIFICATION OF OFFICERS AND DIRECTORS

A. The Association hereby indemnifies any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

1. Whether civil, criminal, administrative or investigative other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity as Director or officer of the Association, or in his capacity as Director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise in which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of

such action, suit or proceeding or any appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association, and in criminal actions or proceedings, without

reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent will not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interests of the Association or that he had reasonable grounds for belief that such action was unlawful.

2. By or in the right of the Association to procure a judgment in its favor by reason or his having or having been a Director or officer of the Association, or by reason of his being or having been a Director, officer, employee or agent of any corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association. Such matters to which such person has been adjudged to have been guilty of gross negligence or misconduct in the performance of his duty to the Association will be excepted herefrom unless, and only to the extent, that the court, administrative agency or investigative body before such action, suit or proceeding is held will determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal will deem proper.

B. The Board of Directors will determine whether amounts for which a Director or officer seeks indemnification were properly incurred and whether such Director or officer acted in good faith and in a manner he or she reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination will be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

C. The foregoing rights of indemnification will not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

ARTICLE XIV TRANSACTIONS IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED

A. No contract or transaction between the Association and one (1) or more of its Directors or officers, or between the Association and any other corporation, partnership, association, or other organization in which one (1) or more of its Directors and officers, or have a financial interest, will be invalid, void or voidable, solely for this reason, or solely because the Director or officer is present at or participates in the meeting of the board or committee thereof which authorized the contract or transaction or solely because his or her votes are counted for such purpose. No Director or officer of the Association will incur liability by reason of the fact

that he is or may be interested in any such contract or transaction.

B. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

ARTICLE XV DISSOLUTION OF THE ASSOCIATION

A. Upon dissolution of the Association, all of its remaining after provision for creditors and payment of all cost and expenses of such dissolution will be distributed in the following manner:

3. Remaining assets will be distributed equally among the members as tenants in common.
