Good afternoon. I have recently become aware of the fact that this corporation has been assigned a different Federal ID number in 2007 by the IRS. The new number is 90-0334908. The number that has always been used is 20-0602403.

How do I change the number on the UBR when I file in April? Can it be changed at the time of filing or is there additional paperwork that must be completed?

Thank you in advance for your help.
