RE: FLORIDA WEST COAST EMPLOYEE BENEFITS COUNCIL, INC.

Enclosed is Form CR2E081, Corporation Reinstatement, for the referenced non-profit corporation. A check in the amount of \$1,032.50, representing the Annual Report fee of \$61.25 for fourteen years as the corporation was dissolved in 1993 for failure to file their Annual Report, is also enclosed.

We are requesting that the reinstatement fee of \$175 be waived. While we can not say for sure that the annual report notices were not received in the year of dissolution, we can assure you that there was no intent on the part of organization to ignore the filing requirement. Florida West Coast Employee Benefits Council, Inc (FWCEBC) is a non-profit corporation and is served by a volunteer board. The board members are business people with a common interest in the employment benefits arena. Most employees are not familiar with the need to file the annual report each year so it is possible that the notices were simply overlooked.

FWCEBC has implemented a procedure to make sure that the annual reports are timely filed each year. Additionally, we have added this item to our in-house due date tracking system and will remind them of the due date for filing the annual report each year.

Should you have any questions or need additional information, please advise.

Sincerely,

Elise M. Lacher, CPA
