The qualification of Members, manner of their admission to and termination of membership shall be as follows:

A. Every person or entity who is a fee simple record owner of a fee interest in any Lot which is subject to the Declaration, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separate from ownership of any Lot which is subject to the Declaration.

B. The membership of any person or entity shall be automatically terminated upon his being divested of his title or interest in such Lot; provided that nothing herein contained shall be construed as terminating the membership of any person or entity owning fee title to or a fee ownership interest in two or more Lots at any time while such person or entity shall retain fee title to or a fee ownership interest in any Lot.

C. Transfer of membership shall be recognized by the Association upon its being provided with a copy of the recorded deed conveying such fee simple title to a Lot to the new Member.

D. Except as an appurtenance to his Lot, no Member can assign, hypothecate or transfer in any manner, his membership in the Association or his interest in the funds and assets of the Association. The funds and assets of the Association shall belong solely to the Association subject to the limitation that the same be expended, held or used for the benefit of the membership and for the purposes authorized herein, in the Declaration, and the Bylaws heretof.

ARTICLE VI. VOTING RIGHTS

There shall be two classes of voting memberships:

CLASS A. The Class A Members shall be Owners of a Lot as such is defined in the Declaration, with the exception of Developer. A Class A Member shall be entitled to one vote for each Lot owned.

The sole Class "B" Member shall be Developer. Developer shall be entitled to nine (9) votes for each Lot actually or potentially included in the Community. Upon the execution of this Declaration, Developer shall have 1,692 Class "B" votes representing nine (9) votes for each of the 188 Lots in the Community plus nine (9) votes for each of the 125 potential subdivision lots not yet included in the Community. In all, Developer expects but shall not be required, to submit a total of 313 residential lots to the Declaration and to the jurisdiction of the Association. In the event Developer elects at any time or from time to time, for any reason whatsoever, to develop and annex either more or less than the 125 potential subdivision lots not included in the Community, then Developer will give written notice to the Association of that election and Developer's Class "B" votes shall be increased or reduced, as the case may be, by nine (9) votes for each one of the potential subdivision lots so added or excluded from eligibility for annexation by Developer. The Class "B" membership shall cease and be converted to Class "A" membership on the happening of any of the following events, whichever occurs earlier.

A. Three (3) months after the date when the total votes outstanding in the Class "A" membership equal the total votes outstanding in the Class "B" membership; or

B. Ten (10) years from the date of filing of this Declaration; or

C. At such time as the Class "B" member voluntarily relinquishes its right to nine (9) votes for each Lot.

When more than one person holds an interest in a Lot, all such persons shall be Members. The vote for such Lot shall be exercised by one person as they determine, and such person shall be designated as the holder of the vote. If a corporation, partnership, joint venture or other entity is a fee simple title holder to a Lot, such entity shall designate one person as the holder of the vote. In no event shall more than one vote be cast with respect to any Lot.

ARTICLE VII. BOARD OF DIRECTORS

Within three (3) months after Developer owns less than ten percent (10%) of the Lots in the Property, the members of the Board shall be determined as set forth in Article VII herein. Developer shall be entitled to elect at least one member of the Board of Directors as long as Developer holds for sale in the ordinary course of business at least five percent (5%) of the Lots in the Property.
