The Assessments shall be used for the maintenance and repair of the Surface Water or Stormwater Management System, including but not limited to work within retention areas, drainage structures and drainage easements.

ARTICLE III

MEMBERS

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any lot shall be a member of the Association. Notwithstanding anything else to the contrary set forth in this Section 1, any such person or entity who holds such interest merely as security for the performance of an obligation shall not be a member of the Association. Membership in the Association shall be appurtenant to each lot and may not be separated from ownership of said lot. The record title holder to each lot shall automatically become a member of the Association and shall be assured of all rights and privileges thereof upon presentation of a photographically or otherwise reproduced copy of said owners deed recorded in the Public Records of Indian River County, Florida to the Association Secretary for placement in the records of the Association. To the extent that said deed shall pass title to a new lot owner from an existing lot owner, membership in the Association shall be transferred from the existing lot owner to the new lot owner.

Section 2. Voting Rights. The Association shall have two (2) classes of voting membership:

Class A. Class A members shall be all those owners as defined in Article III, Section 1 with the exception of the Developer (as long as the Class B membership shall exist, and thereafter, the Developer shall be a Class A member to the extent it would otherwise qualify). Except as provided below, Class A members shall be entitled to one (1) vote for each lot in which they hold the interest required for membership by Article III, Section 1. When more than one person holds such interest or interest in any lot, all such persons shall be members but the vote for such lot shall be exercised only by that one person who is entitled to vote. In no event shall more than one vote be cast with respect to any such lot.

Class B. The Class B member shall be the Developer. The Class B member shall be entitled to one (1) vote, plus two (2) votes (for a total of three (3) votes) for each lot owned by the Developer. The Class B membership shall cease and terminate: 1) at such time as 90% of all lots to be ultimately subject (including future phases) to Association membership within the property have been sold and conveyed by the Developer; or 2) fifteen (15) years from the date of the first conveyance by Developer of a lot; or 3) sooner at the election of the Developer, whichever event shall first occur, whereupon the Class A members shall be obligated to elect the Board and assume control of the Association. Upon termination of the Class B membership as provided for herein, the Class B membership shall convert to Class A membership with voting strength as set forth above for Class A membership.

Section 3. Meetings of Members. The By-Laws of the Association shall provide for an annual meeting of members, and may make provisions for regular and special meetings of members other than the annual meeting. A quorum for the transaction of business at any meeting of the members shall exist if 30% of the total number of votes that may be cast by members entitled to vote and in good standing shall be present or represented at the meeting either in person or by general or limited proxy.

Section 4. General Matters. When reference is made in these Articles of Incorporation, or in the By-Laws, Rules and Regulations, management contracts or otherwise, to a majority or specific percentage of members, such reference shall be deemed to be reference to a majority or specific percentage of the votes of members entitled to vote and not of the members themselves.

ARTICLE IV CORPORATE EXISTENCE

The Association shall have perpetual existence. Existence of the Association shall commence with the filing of these Articles of Incorporation with the Secretary of State, Tallahassee, Florida.

ARTICLE V
BOARD OF DIRECTORS

Section 1. Management by Directors. The property, business and affairs of the Association shall be managed by a Board of Directors, which shall consist of not less than three (3) persons but as many persons as the Board of Directors shall from time to time determine. A majority of the directors in office shall constitute a quorum for the transaction of business. The By-Laws shall provide for meetings of directors, including an annual meeting. Directors may be individuals who are foreign nationals.

Section 3. Election of Members of Board of Directors. Except as otherwise provided herein and for the first Board of Directors, directors shall be elected by members of the Association at the annual meeting of the membership as provided by the By-Laws of the Association, and the By-Laws may provide for the method of voting in the election and for removal from office of directors. All directors shall be members of the Association residing on the property or shall be authorized representatives, officers or employees of corporate members of the Association, or designees of the Developer.

Section 4. Duration of Office. Except as provided in Article V, Section 2, hereof, members elected to the Board of Directors shall hold office until the next succeeding annual meeting of members, and thereafter until qualified successors are duly elected and have taken office.

Section 5. Vacancies. If a director elected by the general membership shall for any reason cease to be a director, the remaining directors so elected may elect a successor to fill the vacancy for the balance of the term.

ARTICLE VI

OFFICERS

Section 1. Officers Provided For. The Association shall have a President, a Vice President, a Secretary and a Treasurer, and such other officers as the Board of Directors may from time to time elect.

Section 2. Election and Appointment of Officers. The officers of the Association, in accordance with any applicable provision of the By-Laws, shall be elected by the Board of Directors for terms of one (1) year and thereafter until qualified successors are duly elected and have taken office. The By-Laws may provide for the method of voting in the election, for the removal from office or filling vacancies and for the duties of the officers. The President shall be a director; other officers may or may not be directors of the Association. If the office of President shall become vacant for any reason, or if the President shall be unable or unavailable to act, the Vice President shall automatically succeed to the office or perform its duties and exercise its powers. If any office shall become vacant for any reason, the Board of Directors may elect or appoint an individual to fill such vacancy.

Section 2. Conflict. In case of any conflict between these Articles of Incorporation and the By-Laws, these Articles shall control; and in case of any conflict between these Articles of Incorporation and the Declaration, the Declaration shall control.

ARTICLE IX INCORPORATOR

The name and address of the incorporator of these Articles of Incorporation is Fred Tropea, P.O. Box 448, Glen Mills, PA 19342.

ARTICLE X INDEMNIFICATION

Section 1. Indemnification In Proceedings. Every Director and every Officer of the Association shall be indemnified by the Association against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed upon him in connection with any proceeding whether civil, criminal, administrative or investigative, or any settlement of any proceeding, or any appeal from such proceeding to which he may be a party or in which he may become involved, other than an action by, or in the right of, the corporation, by reason of his being or having been a Director or Officer of the Association, or having served at the Association's request as a Director or Officer of any other corporation, whether or not he is a Director or Officer at the time such expenses are incurred regardless of or by whom the proceeding was brought, if he acted in good faith and in a manner which he reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. In the event of a settlement, the indemnification shall apply only when the Board of Directors of the Association approves such settlement and reimbursement as being in the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such Director or Officer may be entitled. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the Director did not act in good faith and in a manner which he reasonably believed to be in, or not opposed to, the best interest of the corporation or, with respect to any criminal action or

proceeding, had reasonable cause to believe that his conduct was unlawful. No indemnification may be made pursuant to this Article X, Section 1, in relation to matters as to which any Director or Officer is adjudged to be liable for gross negligence or willful misconduct.

Section 2. Indemnification In Proceedings By Or In The Right Of The Association. The Association shall indemnify every Director and every Officer who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a Director, Officer, employee, or agent of the Association or is or was serving at the request of the Association as a Director, Officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the defense or settlement of such action or suit, including any appeal thereof, if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Association, except that no indemnification shall be made in respect to any claim, issue, or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the Association unless, and only to the extent that, the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

Section 3. Prepayment of Costs and Attorneys' Fees. Expenses incurred in defending a suit or proceeding whether civil, criminal, administrative or investigative may be paid by the Association in advance of the final disposition of such action, suit or proceeding, if authorized by all of the non-interested Directors and upon receipt of an undertaking by or on behalf of the Director or Officer to repay such amount, if it shall ultimately be determined that he is not to be indemnified by the Association, as authorized by these Articles of Incorporation.

Section 4. Indemnity Insurance. The Association shall have the power to purchase, at its expense, and maintain insurance on behalf of any individual who is or was a Director or Officer of the Association, or is or was serving at the request of the Association as a director or officer of another organization at the request or direction of the Association, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of these Articles of Incorporation.

Section 5. Amendment of Article. The provisions of this Article shall not be amended.
