Addendum to Article 111 Purpose of Articles of
Incorporation dated 05/01/05

The purpose for which the corporation is organized is:

To offer housing counseling for home purchase and ownership, rental counseling for low to moderate income individuals; to increase affordable housing opportunities for low-income Americans.

To offer credit rebuilding to individuals who need assistance in repairing their credit for homeownership and prepare them for mortgages. This will also increase the communities and promote economic development and strengthen growth in areas needed. Credit problems have been identified as the biggest barrier to homeownership. Therefore, I would like to be a bridge to carry over into the possibility of owning a home. My program will help them to get reasonable credit to obtain a mortgage.

To be able to give mortgages to individuals who need vouchers, no down payment programs, HUD assistance, etc.
