**ARTICLES OF AMENDMENT OF THE ARTICLES OF INCORPORATION OF  
TAYLORFIELD PROPERTIES SUBDIVISION HOMEOWNER'S ASSOCIATION, INC.**

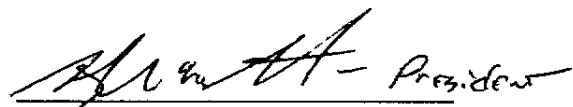

Article IV of the Articles of Incorporation of TAYLORFIELD PROPERTIES SUBDIVISION HOMEOWNER'S ASSOCIATION, INC., a Florida corporation, filed in Tallahassee on the 26<sup>th</sup> day of July, 2005 is amended to add the following additional provisions as follows:

**ARTICLE IV**

There shall be set aside a permanent vegetative buffer ("Buffer") twenty-five (25) feet wide, over that portion of the property shown on the plat. This buffer extends across lots one (1) through fifty-five (55). The Buffer is part of the surface water management system permitted by the St. Johns River Water Management District. The purpose of the Buffer is to detain and treat stormwater prior to drainage offsite; therefore, the area must be maintained with a dense vegetative cover. Filling and placement of impervious surface (other than fenceposts) are prohibited within the Buffer.

The foregoing amendment was adopted by unanimous vote of the <sup>Members</sup> ~~Directors~~ of the corporation on the 2 day of DECEMBER, 2005, and shall become effective upon filing with the Secretary of State of the State of Florida.

IN WITNESS WHEREOF the undersigned President of this corporation has executed these Articles of Amendment this 2 day of DECEMBER, 2005.

  
Stephen M. Starke, President
