**ARTICLE XII**  
**INDEMNIFICATION**

The Association shall indemnify any and all of its directors, officers, employees or agents, or former directors, officers, employees or agents to the fullest extent permitted by law. Said indemnification shall include, but not be limited to, the expenses, including the cost of any judgments, fines, settlements and counsel's fees, actually and necessarily paid or incurred in connection with any action, suit or proceeding, whether civil, criminal, administrative or investigative, and any appeals thereof, to which any such person or his legal representative may be made a party, or may be threatened to be made a party, by reason of his being or having been an officer, director, employee or agent as herein provided. The foregoing right of indemnification shall not be inclusive of any other rights to which any director, officer, employee or agent may be entitled as a matter of law or which he may be lawfully granted.

Anything herein to the contrary notwithstanding, no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for gross negligence or willful misfeasance or malfeasance in the performance of his or her duty to the Association unless and only to the extent that the court in which such action or suit was brought shall determine, upon application, that despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for those expenses which such court shall deem proper. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he had no reasonable cause to believe that his conduct was unlawful.

Any indemnification under Article XII (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer, committee member, agent or employee is proper in the circumstances because such person has met the applicable standard of conduct set forth in section C of Article VII. Such determination shall be made (a) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such quorum is not attainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (c) by a majority of the Members.
