**INDEMNIFICATION**

12.0 Indemnity: The Association shall indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Association) by reason of the fact that such person is or was a Director, Officer, employee or agent of the Association, against expenses (including attorneys' fees and appellate attorneys' fee), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner reasonably believed by him or her to be in, or at least not opposed to, the best interest of the Association and with respect to any criminal action or proceeding, such person had no reasonable cause to believe his or her conduct was unlawful; except, no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable because of gross negligence or willful misfeasance or malfeasance in the performance of his or her duties to the Association, unless and only to the extent that the court in which such action or suit was brought shall determine upon application, that despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such court deems proper. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in, or at least not opposed to, the best interest of the Association and, with respect to any criminal action or proceeding, such person had no reasonable cause to believe that his or her conduct was unlawful.

12.1 Expenses: To the extent that a Director, Officer, employee, or agent of the Association has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in Paragraph 12 hereof, or in defense of any claim, issue, or matter therein, such person shall be indemnified against expenses (including attorneys' fees and appellate attorneys' fees) actually and reasonably incurred by him or herein connection therewith.

12.2 Approval: Any indemnification under Paragraph 12.0 hereof (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Director, Officer, employee, or agent is proper in the circumstances because such person has met the applicable standard of conduct set forth in such Paragraph 12.0 hereof. Such determination shall be made (a) by the Board of

Directors by a majority vote of a quorum consisting of Directors who are not parties to such action, suit, or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable, a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion, or (c) by a majority of the members of the Association.

12.3 Advances: Expenses incurred in defending a civil or criminal action, suit, or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in the specific case upon receipt of an undertaking by or on behalf of the Director, Officer, employee, or agent to repay such amount unless it shall ultimately be determined that such person is entitled to indemnification by the Association as authorized in this Article.

12.4 Miscellaneous: The indemnification provided by this Article shall not be deemed exclusive of any other rights to which such person seeking indemnification may be entitled under any by-laws, agreement, vote of the members of the Association, or otherwise, both as to action in his or her official capacity while holding such office, as well as continuing to such a person after he or she has ceased to be a Director, Officer, employee or agent. Such indemnification shall inure to the benefit of the heirs, personal representatives, and administrators of such person.

12.5 Insurance: The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a Director, Officer, employee or agent of the Association, or is or was serving at the request of the Association as a Director, Officer, employee, or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against or arising out of his or her status as such, whether or not the Association would have the power to indemnify such person against such liability under the provisions of this Article.

Any member may waive such notice, by written waiver of notice. And, when such waiver of notice is filed in the records of the Association (whether before or after the holding of the meeting) it shall be deemed equivalent to the giving of such notice to such member. At such meeting, the Amendment or Amendments proposed must be approved by an affirmative vote of at least a two-thirds (2/3) vote of the members of the Association entitled to vote thereon in order for such Amendment or Amendments of the Articles of Incorporation to be transcribed and certified by the President and Secretary of the Association as having been duly adopted and the original of an executed copy of such Amendment or Amendments so certified and executed with the same formalities as a deed shall be filed with the Secretary of the State of Florida within twenty (20) days from the date on which the same became effective, such Amendment or Amendments to refer specifically to the recording data identifying the Declaration.
