XIV. Indemnification of Officers and Directors.

A. The Association hereby indemnifies any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

1. Whether civil, criminal, administrative, or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity of Director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorney's fees and paraprofessional fees, actually and necessarily incurred as a result of such action, suit or proceedings, without

reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interests of the Association or that he had reasonable grounds for belief that such action was unlawful.

2. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or officer of the Association, or by reason of his being or having been a Director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses, including attorney's fees and paraprofessional fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association. Such person shall not be entitled to indemnification in relation to matters to which such person has been adjudged to have been guilty of negligence or misconduct in the performance of his duty to the Association unless, and only to the extent that, the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

B. The Board of Directors shall determine whether amounts for which a Director or officer seeks indemnification were properly incurred and whether such Director or officer acted in good faith and in a manner he reasonably believed to be in the best interest of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

C. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

XV. Transaction in Which Directors or Officers Are Interested

A. No contract or transaction between the Association and one or more of its Directors or officers, or between the Association and any other corporation, partnership, association, or other organization in which one or more of its Directors or officers are Directors or officers, have a financial interest, shall be invalid, void or voidable solely for this reason, or solely because the Director or officer is present at or participated in the meeting of the Board or committee thereof which authorized the contract or transaction, or solely because his or their votes are counted for such purpose. No Director or officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

B. Except as set forth in Declaration, interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

XVI. Dissolution of the Association

Upon dissolution of the Association, all of its assets remaining after provision for creditors and payment of all costs and expenses of such dissolution shall be distributed in the following manner:

1. Real property contributed to the Association without the receipt of other than nominal consideration by the Declarant (or its predecessor interest) shall be returned to Declarant unless (a) it refuses to accept the conveyance (in whole or in part) or (b) such conveyance adversely affects the Lots and/or the use of the Common Areas for the purpose for which they are intended (i.e., makes the water management system inoperable or non-conforming under applicable law).

2. Remaining assets shall be distributed among the members, subject to the limitations set forth below, as tenants in common, each members' share of the assets to be determined in accordance with its voting rights.

B. The Association may be dissolved upon a resolution to that effect being recommended by three-fourths (3/4) of the members of the Board of Directors, and, if such decree be necessary at the time of dissolution, after receipt of an appropriate decree as set forth in Florida Statutes Section 617.1430 or statute of similar import, and approved by two-thirds (2/3) of the voting rights of the Association's members.
