Article III Purpose

To keep in trust a healthy and unique blood line of fowl unlike the normal poultry house bird. As this may be needed in the future to infuse, as to make, a quality bird for the public at large. To work with poultry feed corp. to utilize good feed management and feeding practices. To share information with any other poultry concerns. To cross breed two or more strings as to make a more uniform, better meat, and egg production bird. With exceptional quality in the show ring. To correlate fully with any federal or State agriculture request.

To act as a clearing house to get information to members quickly as to disease outbreaks and ways to combat.
