River Rise Homeowner's Association, Inc.
Board of Directors, Architectural Control Committee and Neighbors

I have completed the necessary form acknowledging my resignation from the position of Registered Agent which I have held for 16 years, as well as the form necessary for the current BOD to submit to the State of Florida Division of Corporations (DOC) to initiate my removal from the position in DOC's records.

I will no longer be associated with an administration that collectively appears unwilling to prioritize "truth...transparency and trust".

I have curated all archival documents since the formation of the development. Most historical provided by Darryl Thompkins, Attorney who worked with Mr. Nevin Summers and Jim Forrester writing the governing documents and developing the community.

I have already provided Mike Chaddock with the original copies of the plot pages for the community. I will relinquish all other significant documents upon the recording (by the State Division of Corporations) of my resignation. I will require signatures of whomever accepts these documents.

As Sherry is clearly the "Aide-de-camp" to this administration, should she be appointed to this position I will turn over the documents with an itemized list for our respective signatures. Obviously, I will relinquish the records to whomever is named to the position once my name has been removed from the Division of Corporations filing page for the RRHOA and I am no longer listed as responsible for the duties of the Registered Agent.

Respectfully submitted,

Pat McAlhany
