A general notice that a director or officer is interested in any corporation or other concern of any kind above referred to shall be a sufficient disclosure thereof. No director shall be disqualified from holding office as director or officer of the Association by reason of any such adverse interests. No director, officer, or member having such adverse interest shall be liable to the Association or to any member or creditor thereof or to any other person for any loss incurred by it under or by reason of such contract or transaction, nor shall any such director, officer, member or entity in which said member is involved be accountable for any gains or profits realized thereby.
