Dear Karen Gibson,

I would like to have my name removed from  
the list of Officer/Director for the  
Open Door Baptist Church of Plant City, Inc.  
Doc. Number NO600005614

because I personally never agreed in writing  
to have my name added to the Corporation.

All I was ever asked was that of my  
address of which I gave to the Pastor  
only to find out on Aug 28, 2006 my name  
had been added without my written consent.

I would appreciate that my name be removed  
since I never consented or agreed to such  
action being taken by George Harris.

Yours truly  
Alfred D. Smith
