## **MISSION STATEMENT**

The primary mission of the **House of Sunshine, Inc.** is to do our part in helping God's people. We are here to feed and shelter the homeless and orphans; give each person we service an opportunity for a new beginning. We plan to embrace each person as if they are our own biological family members and to provide the services needed to help get them back on their feet. Our mission is to give each person love, care, spiritual guidance, direction, and permanency. Through the continuum of care services, after meeting their physical needs, we will strive to give each person the stability and motivation they need, but rarely get, to pursue their educational and career goals and to reach their full potential. We will arm them with shelter, food, clean clothes, job training, health care, mental health counseling, substance abuse treatment, client care, and the life training skills they will need to survive in this world. Our goal is to give each one of them hope for the future and an opportunity for success.

## **PHILOSOPHY**

We believe at House of Sunshine, after meeting the physical needs of our clients, if we shower each person with love, direction, discipline, and hope, they will shine as bright as the sun. We also believe that providing stability and instilling accountability in our people, we will help them to mature into well adjusted, responsible, and productive members of society. As our clients transition out of our program, they will be armed with life skills training, domestic skills, support, community resources, and immediate educational and/or career plans to have the confidence that they will succeed on their own.

## **GOALS AND OBJECTIVES**

House of Sunshine, Inc. is expanding nationwide and adding additional programs to help and serve the people of our community. In addition to group homes for children in foster care, transitional housing, and permanent housing for the homeless, we are now adding Targeted Case Management for adults and children in the community, and Detention Services for juvenile delinquents. These services include group homes, in- homes family services, case management, and transition services. We will also be offering Adult & Elderly Personal Care Services and Transportation Services for the elderly and disadvantaged.

## **HISTORY**

The original House of Sunshine Independent Living Christian Group Home, Inc. was established in April of 2006 by Yalonda Hooks and Charryse Copper. The founders were determined to set higher standards for other group homes to follow by providing service that is above and beyond the expectations of the state and the children in care. Growing up, Yalonda wanted to be a social worker and achieved that goal in November of 2004 after the completion of her B.S. Degree in Psychology. She worked with the Department of Juvenile Justice for 3 years and was a dependency case manager for almost 2 years. Both women came from low SES backgrounds and poverty stricken neighborhoods, therefore are determined to

make a difference in the lives of every foster care client that comes into the HOUSE OF SUNSHINE. Charryse left House of Sunshine in 2007 to pursue graduate studies.

In 2009, Yalonda received a vision from God of opening a Homeless shelter and transitional living facility for homeless youth, families, and women just getting out of prison. In January of 2011, the name was shortened to House of Sunshine, Inc. so that we may expand our programs offered to the community. At House of Sunshine, we believe that every person deserve the opportunity to overcome their past and reach the maximum potential for success; a new beginning!
