d. When all of the Units have been conveyed to Purchaser Members and none of the others are being constructed or offered for sale by Developer in the ordinary course of business; or

e. Seven years after recordation of the declaration of condominium. The developer is entitled to elect at least one member of the Board of the Association as long as the developer holds for sale in the ordinary course of business at least 5 percent, in condominiums with fewer than 500 units, and 2 percent, in condominiums with more than 500 units, of the units in a condominium operated by the association. Following the time the developer relinquishes control of the Association, the developer may exercise the right to vote any developer-owned units in the same manner as any other unit owner except for purposes of reacquiring control of the association or selecting a majority of the members of the board of administration.

2. Notwithstanding the above Article IX.D.(1), Developer shall have the right to, at any time, upon written notice to the Association relinquish its right to designate a majority of the Board.

E. The election of not less than a majority of Directors by Purchaser Members shall occur at a meeting of the membership to be called by the Board for such purpose ("Majority Election Meeting").

F. At the Majority Election Meeting, the Purchaser Members shall elect two (2) Directors and Developer, until the Developer's Resignation Event, shall be entitled to designate one (1) Director. Developer reserves the right, until the Developer's Resignation Event, to name the successor, if any, to any Director it has so designated; provided, however, Developer shall in any event be entitled to exercise any right it may have to representation on the Board as granted by law, notwithstanding the occurrence of the Developer's Resignation Event.

G. At the first Annual Members Meeting held after the Majority Election Meeting, a "staggered" term of office of the Board shall be created as follows:

1. a number equal to fifty percent (50%) of the total number of Directors rounded to the nearest or next whole number is the number of Directors whose term of office shall be established at two (2) years and the Directors serving for a two (2) year term will be the Directors receiving the most votes at the meeting; and

2. the remaining Directors' terms of office shall be established at one (1) year.

At each Annual Members Meeting thereafter, as many Directors of the Association shall be elected as there are Directors whose regular term of office expires at such time, and the term of office of the Directors so elected shall be for two (2) years, expiring when their successors are duly elected and qualified.

H. The Board shall continue to be elected by the Members subject to Developer's right to appoint a member to the Board as specified in the Act at each subsequent Annual Members' Meeting, until Developer is no longer entitled to appoint a member to the Board.

I. The Initial Election Meeting and the Majority Election Meeting shall be called by the Association, through its Board, within seventy-five (75) days after the Purchaser Members are entitled to elect a Director or the majority of Directors, as the case may be. A notice of the election shall be forwarded to all Members in accordance with the Bylaws; provided, however, that the Members shall be given at least sixty (60) days' notice of such election. The notice shall also specify the number of Directors that shall be elected by the Purchaser Members and the remaining number of Directors designated by Developer.

J. Developer shall cause all of its designated Directors to resign when Developer no longer holds at least five percent (5%) of the Units for sale in the ordinary course of business. In addition, Developer may at any time, in its sole discretion, cause the voluntary resignation of all of the Directors designated by it. The happening of either such event is herein referred to as the "Developer's Resignation Event." Upon the Developer's Resignation Event, the Directors elected by Members shall elect successor Directors to fill the vacancies caused by the resignation or removal of the Developer's designated Directors. These successor Directors shall serve until the next Annual Members' Meeting and until their successors are elected and qualified; provided, however, nothing herein contained shall be deemed to waive any right to representation on the Board which Developer may have pursuant to the Act. Developer specifically reserves the right to assert any right to representation on the Board it may have pursuant to the Act, notwithstanding that the Developer's Resignation Event may have previously occurred.

K. At each Annual Members' Meeting held subsequent to the year in which the Developer's Resignation Event occurs, the number of Directors to be elected shall be determined by the Board from time to time, but there shall not be less than three (3) Directors nor more than seven (7).

L. The following provisions shall govern the right of each Director to vote and the manner of exercising such right:

1. There shall be only one (1) vote for each Director.
2. All of the Directors of the Board shall vote thereon as one (1) body.
