**CORPORATE PURPOSES**

The purposes for which this corporation is formed are exclusively charitable, educational and scientific:

Whereas the City of Sanibel is a community dedicated to development designed to support a lifestyle (for its residents and visitors) consistent with the preservation and maintenance of the natural environment (both flora and fauna) and ecology of the island of Sanibel, a barrier island in the Gulf of Mexico located in the County of Lee, State of Florida.

FAX AUDIT NO.: H06000189845 3

Whereas, consistent with Sanibel's dedication to the preservation of the islands environment and ecology, its City Charter provisions and municipal regulations encourage minimally invasive lightless streets as well as low rise and low land density construction; and

Whereas such low rise low land density Charter provisions and municipal regulations tend to encourage residential development which (1) requires the use of motorized vehicular transportation to access necessary municipal, charitable, cultural and commercial facilities on the island; (2) has led to the development of such facilities along a strip rather than town center axis; and (3) by its scarcity has, in a free market system, provided housing available principally for upper income residents to the substantial exclusion of lower and middle income persons who are employed on or otherwise provide services to the island, its residents and its visitors;

Whereas the cost and time necessary to commute from affordable housing on the mainland adjacent to Sanibel Island has increased to the extent that the island has difficulty attracting necessary lower and middle income employees; and

Whereas elderly island residents wishing to maintain an independent lifestyle while minimizing home maintenance concerns and/or dependency on the use of self-operated motor vehicles leave the island for alternate resident arrangements which provide, by contract at reasonable cost, sufficient services to maintain an independent lifestyle free of formal Nursing or Assisted Living restrictions;

Now therefore, it is the mission of TOWN CENTER OF TOMORROW (TCT) to encourage the development of a resident-based town center in the City of Sanibel (consisting of a barrier island in Lee County, Florida) by supporting (including providing) the establishment and operation, within reasonable walking distance of municipal, cultural and commercial facilities, of: (1) affordable housing for those lower and middle income persons employed in or providing services to Sanibel Island (2) contractually and otherwise provided fully maintained condominium housing together with such allied services as are necessary or convenient (including but not limited to commercial, charitable, cultural and municipal services) sufficient to allow Sanibel senior residents to sustain an independent lifestyle readily accessible to such services, and (3) in connection with the foregoing, whenever appropriate or advisable, to support, cooperate with and/or otherwise encourage the maintenance and expansion of such complimentary commercial, charitable, cultural and municipal services and facilities.

DISSOLUTION: Upon the dissolution of this corporation or the winding up of its affairs, the assets of this corporation be distributed exclusively to charitable,

FAX AUDIT NO.: H06000189845 3

If the Corporation holds any assets in trust, such assets shall be disposed of in such a manner as may be directed by decree of the Circuit Court of the district in which the Corporation's principal office is located, upon petition thereof by the Attorney General or by any person concerned in the liquidation.

6. **"PRIVATE FOUNDATION" PROVISIONS:** In the event this Corporation is considered to be a "Private Foundation" by the U.S. Internal Revenue Service under provisions of the United States Code the following provisions apply:
