The affairs of the Association shall be managed by a Board of

not less than three (3), nor more than five (5), Directors who need not be Members. The initial board shall be comprised of three (3) persons. Anything in these Articles to the contrary notwithstanding, until such time as the Declarant has conveyed to purchasers not affiliated with the Declarant all Lots, or as such earlier date as may be selected by the Declarant, the Declarant shall be entitled to designate the Board of Director of the Association. The names and addressed of persons who are to act in the capacity of Director until appointment or election of their successors pursuant to these Articles are:

The initial elected Directors shall randomly be divided into two (2) categories, one category comprising one (1) newly elected Director who shall serve for an initial term of one (1) year, and the secondary category comprising the remaining newly elected Directors who shall serve for an initial term of two (2) years. All Directors elected after the initial Directors shall serve for terms of two years each. In the event that the number of Directors comprising the Board of Directors shall exceed three (3), such change in number shall be implemented in such a manner as to have as nearly equal in number as possible the number of Directors whose terms expire in any given year. The Directors shall be either (1) member of the Association, or two (2) Officers, Directors, representatives or employees of the Declarant or a corporate member of the Association.

Prior to relinquishing control of **TYLER CREEK BUSINESS COMMUNITY**, the Developer shall provide at least thirty (30) days written notice to the Suwannee River Water Management District that all terms and conditions placed upon developer by permits or authorizations from the Suwannee River Water Management District have been satisfied in full and that transfer is proposed to occur on a specific date.
