ARTICLE VI
INITIAL CONTROL BY DEVELOPER

Notwithstanding the other provisions contained in these articles to the contrary, High Springs Hills Properties, Inc., or its successors in interest herein referred to as "developer" shall have full right and authority to elect and/or remove all directors until developer relinquishes that right or ceases to be the owner of one or more of the lots as described in Article III above. The developer prior to relinquishing control of the association or otherwise allowing control of the directors to transfer to the lot owners of the association, shall provide at least thirty days written notice to the Suwannee River Water Management District that all terms and conditions placed upon the developer by permits or authorizations from the Suwannee River Water Management District have been satisfied in full and that transfer is proposed to occur on a specific date.

ARTICLE VII
ASSESSMENTS

Each lot owner shall be responsible for a fraction of the cost of carrying out the purposes of the association. The numerator of the fraction shall be the number of lots owned by the owner and the denominator shall be the total number of lots subject to assessment. The Board of Directors shall assess lot owner on an annual basis, a regular basis other than annually, and/or from time to time as the need arises in order to defray the costs incurred by the association and provide reserves that the Board of Directors in its judgment deems reasonable, for the operation of the association. Assessments shall be levied by resolution of the Board of Directors.

ARTICLE VIII
BYLAWS AND AMENDMENT OF ARTICLES

- A. The bylaws will be adopted and may be amended by the directors, consistent with these Articles. Amendments to the Articles and bylaws which directly or indirectly impact operation and maintenance of the subsurface management system, including without limitation, all lakes, ditches, canals, retention or detention areas, drainage or other subsurface management works, and preservation or conservation areas, wetland and wetland mitigation areas which are owned by the association or the owners in common, may be made after approval by the Suwannee River Water Management District. Such approval shall be in the form of a modification to any and all permits issued by the Suwannee River Water Management District under the lawfully adopted rules of the Suwannee River Water Management District in effect at the time of application for such modification. Amendment to the articles or the bylaws, which does not impact operation or maintenance of the system, may be made without authorization of the Suwannee River Water Management District; however, copies of any such amendments shall be forwarded to the Suwannee River Water Management District within thirty days of approval.
- B. Should a conflict exist or arise between any of the provisions of the Articles of Incorporation and the provisions of the Bylaws, the provisions of the Articles of Incorporation shall control.

ARTICLE IX
REGISTERED OFFICE AND REGISTERED AGENT

The principal address and the registered office address shall be 23335 Northwest CR 236, #30, High Springs, Florida 32643. The name of the association's initial registered agent at such address is Lee A. Holloway.

ARTICLE X
INDEMNIFICATION OF OFFICERS AND DIRECTORS

- A. The association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil or criminal, administrative or investigative, by reason of the fact that he is or was a director, officer, employee, or agent of the association, or is or was serving at the request of the association as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expense (including attorneys fees), judgments, fines, and amounts paid in settlement, actually and reasonably incurred by him in connection with such action, suit or proceeding, including any appeal thereof, if he acted in good faith or in a manner he reasonably believed was not opposed to the best interest of the association, and with respect to any criminal action or proceeding, if he had no reasonable cause to believe his conduct was unlawful. However, with respect to any action by or in the right of the association to procure a judgment in its favor, no indemnification shall be made in respect to any claim, issue, or matter as to which such person is adjudged liable for negligence or misconduct in the performance of his duties to the association unless, and only to the extent that, the court in which such action or suit was brought determines, on application, that despite the adjudication of liability such person is fairly and reasonably entitled to indemnity in view of the circumstances of the case. Any indemnification hereunder shall be made only on a determination by a majority of disinterested directors that the indemnification is proper in the particular circumstances because the party to be indemnified has met the applicable standard of conduct. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or on a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the party did not meet the applicable standard of conduct. Indemnification hereunder may be paid by the association in advance of the final disposition of any action, suit, or proceeding, on a preliminary determination that the director, officer, employee, or agent met the applicable standard of conduct and on receipt of an undertaking by or on behalf of the director, officer, employee, or agent to repay such amount, unless it is ultimately determined that he is entitled to be indemnified by the association as authorized in this section.
- B. The association shall also indemnify any director, officer, employee, or agent who has been successful on the merits or otherwise, in defense of any action, suit, or proceeding, or in defense of any claim, issue or matter therein, against all expenses, including attorneys fees, actually and reasonably incurred by him in connection therewith without the necessity of an independent determination that such director, officer, employee, or agent met any appropriate standard of conduct.
- C. The indemnification provided for herein shall continue as to any person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such person.

- D. In addition to the indemnification provided for herein, the association shall have the power to make any other or further indemnification, except an indemnification against gross negligence or willful misconduct, under any resolution or agreement duly adopted by a majority of disinterested directors.
